

September 3, 2002

IMPORTANT ANNOUNCEMENT

Hurco Companies, Inc. is pleased to announce that it has entered into a commercial agreement with **DynaPath USA** for the sale of its **DynaPath® and Delta®** product line.

As of September 3, 2002 DynaPath USA assumed control of the **Dynapath®** names and associated products. Responsibility for the CNC control or **Delta®** sales, **Dynapath®** machine sales, telephone technical support, on site-service scheduling and spare parts sales were turned over to DynaPath USA.

All future communications regarding control sales, machine sales, technical support, on-site service, and spare parts sales should be directed to:

DynaPath USA
395 Washington Street
Brighton, MI 48116

Phone: 248-488-0440
Fax: 248-488-0430

DynaPath USA will also assume all warranty for Dynapath controls, milling machines and lathes sold by Hurco Machine Tool Products. All warranty repairs and parts orders should be directed to DynaPath USA or your local full service distributor.

Sincerely,

Mike Garlick
